LED Linear Lighting

Trac 12 LED Linear Lighting - The Next Generation

JUNO

Juno's original Trac 12 TL201LED Series has been heralded throughout the industry for its energy efficiency, remarkably long life, minimal heat generation, and uniform illumination. Now it's better than ever with three second-generating modules producing exceptionally bright, high-quality white light.

- Available in 3 wattages and 2 color temperatures
- 85% energy savings over Xenon
- 50,000 hour expected service life
- Wider 140° light distribution
- Improved visual appearance/color
- 3-year warranty

LED MODULES - FOR USE ON JUNO TRAC 12 SYSTEM

Cat. No.	Description
 	TL201LEDX1-3K-WH, BL 12v or 24V, Low Power LED Module, 0.7W, 3K TL201LEDX1-4K-WH, BL 12v or 24V, Low Power LED Module, 0.7W, 4K
	TL201LEDX2-3K-WH, BL 12v or 24V, Low Power LED Module, 1.3W, 3K TL201LEDX2-4K-WH, BL 12v or 24V, Low Power LED Module, 1.3W, 4K
 	TL201LEDX3-3K-WH, BL 12v or 24V, Low Power LED Module, 1.6W, 3K TL201LEDX3-4K-WH, BL 12v or 24V, Low Power LED Module, 1.6W, 4K

LED Linear Lighting

JunO

JunO Pro-LED approximates halogen, with one-eighth the energy

- Ideal for undercabinet, display, or shelf and task lighting
- Maximum reliability, performance, and color quality/consistency
- LEDs will not burn out – 50,000 hour rated life
- Cool-to-touch operation
- Slim 1" extruded aluminum profile

PRO-LED UNDERCABINET FIXTURE*

	Cat. No.	Description
	UPL09	9" 2-Lamp Pro-LED
	UPL14	12" 4-Lamp Pro-LED
	UPL22	22" 6-Lamp Pro-LED
	UPL30	30" 8-Lamp Pro-LED

FINISHES: Black (BL), White (WH), Bronze (BZ) or Silver (SL)

LED Linear Lighting

DanaLite

DanaLite Ultra-Slim LED Fixture - at only 1/2" deep with up to 263 lumens per foot

The DanaLite Ultra-Slim LED modular system is a true breakthrough in linear lighting combining the latest developments in low power, high-output LED technology. Energy consumption is less than one-eighth of halogen and xenon lighting and has a 50,000 hour service life. Easily integrates into casework and architectural details, making it ideal for a wide variety of linear lighting applications.

ULTRA-SLIM LED*

Cat. No.	Description
 DL100-3C-S	Clear Lens, 6W LED, 3K, 75 CRI
DL100-4C-S	Clear Lens, 6W LED, 4.1K, 75 CRI
DL100-5C-S	Clear Lens, 6W LED, 5K, 75 CRI
DL100-3HC-S	Clear Lens, 6W LED, 3K, 92 CRI
 DL100-3F-S	Frosted Lens, 6W LED, 3K, 75 CRI
DL100-4F-S	Frosted Lens, 6W LED, 4.1K, 75 CRI
DL100-5F-S	Frosted Lens, 6W LED, 5K, 75 CRI
DL100-3HF-S	Frosted Lens, 6W LED, 3K, 92 CRI
 DL101-P	118" Starter Power Cable
 DL101-E	End Cap - completes a string of fixtures and is required for each run
 DL102-EE	End-to-End Connector - connects fixture within a string
 DL102-FLX	2-1/2" Flexible End-to-End Connector
 DL102-FLX37	37-1/2" Flexible End-to-End Connector
